The purpose of the Alarm Company Operator Disciplinary Review Committee (DRC) is to review applicants' appeals of the Bureau's denials of licensure and licensees' appeals of the Bureau's suspensions and imposition of fines. The Alarm Company Operator DRC is authorized to hear appeals of alarm company operators, alarm company qualified managers, alarm agents, or firearm permit holders, licensed, certified, or registered by the Bureau under Chapter 11.6 (commencing with Section 7590 of the Business and Professions Code).

Cases are heard in order of arrival so Respondents should confirm their appearance and arrival time by signing in on the "Respondent Sign-In" sheet upon entering the designated waiting room. However, the Committee may hear a case out of order due to hardship-related circumstances. The Committee will consider requests to be heard out of order on a case-by-case basis.

Persons that are not listed as Respondents on the meeting's Agenda are not required to add their name to the sign-in list. This is an open meeting and any person may attend as a member of the public. Public attendees should not sign-in on the "Respondent Sign-In" sheet.

**Important:** No unscheduled cases will be heard by the DRC; Respondents with appeals pending should not sign-in if they are not listed on the agenda. Respondents with appeals pending may attend the public portions of the meeting as a member of the public and submit comment during public comment periods, however, Respondents may not address the committee with regard to their own appeal.
