

BSIS ADVISORY COMMITTEE SOLICITATION FOR A VACANT POSITION

The Bureau of Security and Investigative Services (Bureau) currently has a vacant position on its Advisory Committee (Committee), the Private Investigator (PI) industry member position. The Bureau is accepting applications for the recruitment of this position.

PI Industry Member Qualifications

Individuals who hold, or are associated with, a current Bureau PI license or are a member of an association relating to the PI industry is eligible to serve for this industry member position.

Committee Information

The Committee is an informal committee comprised of voluntary members who provide insight and perspective to the Bureau on policy issues relating to the Locksmith, Repossessor, Private Investigator, Proprietary Security Services, Private Security Services including Bureau-certified firearm and baton training facilities and instructors, and Alarm Company industries in California.

Members serve at the pleasure of the Director of the Department of Consumer Affairs (DCA). An appointment to the Committee does not constitute employment with the State of California and no salary or benefits are associated with a Committee position. Committee members serve a two-year appointment term with appointments to a second term at the discretion of the DCA Director.

The Committee meets two to four times a year and all meetings are held in the Sacramento area. Members are responsible for all costs incurred to attend and participate in Committee meetings since as an informal committee the Bureau does not have the authority to provide reimbursement.
