

## **BSIS ADVISORY COMMITTEE SOLICITATION FOR VACANT POSITIONS**

The Bureau of Security and Investigative Services (Bureau) currently has two (2) vacant positions on its Advisory Committee (Committee), the Proprietary Private Security Employer (PPSE) industry member position and a public member position. The Bureau is accepting applications for the recruitment of these positions.

### **PSE Industry Member Qualifications**

Individuals who hold, or are associated with, a current Bureau PPSE registration or are a member of an association relating to the PPSE industry are eligible to serve for this industry member position.

### **Public Member Qualifications**

Individuals who DO NOT hold a current Bureau license, permit, certificate, or registration are eligible to serve in a public member position. Desirable qualifications for public members include individuals with a background in consumer protection/advocacy or law enforcement, as well as individuals involved with businesses and agencies that deal with Bureau licensees.

### **Committee Information**

The Committee is an informal committee comprised of voluntary members who provide insight and perspective to the Bureau on policy issues relating to the Locksmith, Repossessor, Private Investigator, Proprietary Security Services, Private Security Services including Bureau-certified firearm and baton training facilities and instructors, and Alarm Company industries in California.

Members serve at the pleasure of the Director of the Department of Consumer Affairs (DCA). An appointment to the Committee does not constitute employment with the State of California and no salary or benefits are associated with a Committee position. Committee members serve a two-year appointment term with appointments to a second term at the discretion of the DCA Director.

The Committee meets two to four times a year and all meetings are held in the Sacramento area. Members are responsible for all costs incurred to attend and participate in Committee meetings since as an informal committee the Bureau does not have the authority to provide reimbursement.

Interested parties must complete the [\*\*Advisory Committee Member Application\*\*](#) that can be accessed by clicking on the bolded hyperlink above.

- Applications must include an original signature.
- Only hard-copy applications or applications scanned into a pdf document will be accepted by the Bureau.
- Instructions for submitting applications are detailed on the application form.
- **The Bureau will consider only applications received by close of business July 15, 2016.**
