OUTREACH PROGRAM

The Bureau of Security and Investigative Services is pleased to announce the creation of a new **Information Outreach Program**. This new program will provide one-on-one education for new and existing licensees concerning statutory requirements and regulations including training requirements.

Through the **Information Outreach Program**, a Bureau representative will visit a licensee to provide information, answer questions and address all issues of concern within the scope of licensed operations.

If you would like to expedite a visit, or have questions about the program, please contact Rolando Taeza at (916) 575-7055 or via email at Rolando_Taeza@dca.ca.gov.
