PURPOSE

This bulletin is designed to provide you with general information regarding the Bureau of Security and Investigative Services' (BSIS) Private Investigator, Private Patrol Operator, Alarm Company Qualified Manager and Repossession Agency Qualified Manager examination processes.

EXAMINATION DEVELOPMENT

The BSIS examinations are developed and maintained by the Office of Professional Examination Services (OPES), a division of the California Department of Consumer Affairs. The OPES staff consists of test validation and development specialists who are trained to develop and analyze occupational licensing examinations. Individual examination items are developed in Item Development Conferences in a multiple-choice question format. Each item is carefully researched and validated with published references to ensure accuracy and consistency with entry-level practice for the respective BSIS license.

ESTABLISHING THE PASSING STANDARDS

A licensing examination determines whether an examinee is competent to practice, not whether the examinee performs better or worse than others who take the test.

In accordance with Business and Professions Code section 101.6, the purpose of Boards, Bureaus and Commissions is to "...establish minimum qualifications and levels of competency and license persons desiring to engage in the occupations they regulate upon determining that such persons possess the requisite skills and qualifications necessary to provide safe and effective services to the public, or register or otherwise certify persons in order to identify practitioners and ensure performance according to set and accepted professional standards."

EXAMINATION REGISTRATION PAYMENT AND SCHEDULING PROCEDURES

Once you have been approved by BSIS, you are responsible for contacting PSI to schedule an appointment to take the examination. You may do so via the Internet at www.psiexams.com, or schedule over the telephone at (877) 392-6422, TTY (800) 735-2929.

- **FIRST TIME EXAMINEES:** Examination eligibility expires, and an application is deemed abandoned, if the applicant fails to sit for the respective examination within one year after being notified of eligibility.

- **RE-EXAMINATION APPLICANTS:** Examination eligibility expires, and an application is deemed abandoned, if an applicant fails any written examination and does not retake the examination within one year after initially being notified of eligibility.

In most California testing centers, testing does not take place on the following major holidays:

Independence Day	Closed July 4, 2015
Labor Day	Closed September 5-7, 2015
Thanksgiving	Closed November 26-29, 2015
Christmas	Closed December 25, 2015
New Years	Closed January 1, 2016
Martin Luther King Jr.	Closed January 18, 2016
Memorial Day	Closed May 28-30, 2016

INTERNET SCHEDULING

You may schedule for your test by completing the online Test Registration Form. The Test Registration Form is available at PSI's website, www.psiexams.com. You may schedule for a test via the Internet 24 hours a day.

1. Complete the registration form online and submit your information to PSI via the Internet.
2. Upon completion of the online registration form, you will be given the available dates for scheduling your test.
3. You will need to choose a date to complete your registration.
4. Upon successful registration, you will receive a traceable confirmation number.

TELEPHONE SCHEDULING

PSI has two scheduling methods available if you wish to schedule by telephone. First, call PSI at (877) 392-6422, 24 hours a day and schedule using the Automated Registration System. Second, if you wish to contact a live operator, use this same telephone number to contact PSI registrars Monday through Friday between 4:30 am and 7:00 pm, and Saturday-Sunday between 6:00 am and 2:30 pm, Pacific Time, to schedule your appointment for the test.

CANCELING AN EXAMINATION APPOINTMENT

You may cancel and reschedule an examination appointment without forfeiting your fee *if your cancellation notice is received two (2) days prior to the scheduled examination date*. For example, for a 9:00 a.m. Monday appointment, the cancellation notice would need to be received before 9:00 a.m. on the previous Saturday. You may call PSI at (877) 392-6422. Please note that you may also use the automated system, using a touch-tone phone, 24 hours a day in order to cancel and reschedule your appointment.

Note: A voice mail message is not an acceptable form of cancellation. Please use the PSI Website, automated telephone system, or call PSI and speak to a Customer Service Representative.

MISSED APPOINTMENT OR LATE CANCELLATION

If you miss your appointment, you will not be able to take the examination as scheduled, further you will forfeit your examination fee, if:

- You do not cancel your appointment 2 days before the scheduled examination date;
- You do not appear for your examination appointment;
- You arrive after examination start time;
- You do not present proper identification when you arrive for the examination.

RE-EXAMINATION

Candidates who fail are eligible to re-take this examination. A Request for Re-examination form will be provided with the score report at the test center, or may be obtained by contacting the BSIS. EXAMINEES MUST PARTICIPATE IN AND PASS THE EXAMINATION WITHIN ONE YEAR OF RECEIVING THE INITIAL ELIGIBILITY NOTIFICATION.

EXAMINATION SITE CLOSING FOR AN EMERGENCY

In the event that severe weather or another emergency forces the closure of an examination site on a scheduled examination date, your examination will be rescheduled. PSI personnel will attempt to contact you in this situation. However, you may check the status of your examination schedule by calling (877) 392-6422. Every effort will be made to reschedule your examination at a convenient time as soon as possible. You will not be penalized. You will be rescheduled at no additional charge.

SPECIAL ACCOMMODATIONS AVAILABLE

If you need special accommodations to take the exam, call the Department's Licensing Division at 916-322-4000 to request a form. They will mail you a Request for Special Accommodations form, which must be completed and returned with your license application. You will be required to explain the disability and what special accommodation is needed. A letter from your health-care provider must be included, confirming the disability and justifying the need for special accommodations using the criteria in the request form.

NOT: English as a second language is NOT a disability, and special accommodations are not granted.

IMPORTANT INFORMATION ABOUT TAKING AN EXAMINATION

1. All candidates will have their thumbprint taken during examination check-in and re-entry into the testing room after an approved absence. If a candidate passes the examination, the thumbprint record will be destroyed. If a candidate abandons his or her application for licensure, as determined by the appropriate regulatory authority, the thumbprint will also be destroyed. If a candidate is unsuccessful, the thumbprint record will be retained by PSI to ensure proper identification on any subsequent examination attempts. If the thumbprint doesn't match upon exit and re-entry, the candidate shall be disqualified from the examination, his or her test results invalidated, and the appropriate regulatory entity will be notified of the occurrence. The taking of the thumbprint is an additional measure to enhance examination security. The Department's Office of Professional Examination Services shall ensure that the appropriate safeguards for the storage and destruction of the thumbprint records are in place.
2. The temperature in the testing room is maintained at a moderate level. Candidates are advised to layer clothing. Acceptable layered clothing includes lightweight shirts, sweaters, and pullovers without pockets. These items must be worn upon check-in, while you wait to enter the testing room, and during your initial seating for the examination.

3. There are timing mechanisms available at the test site and on the computer console to help candidates keep track of time during the test administration. Watches or other timekeeping devices are not permitted in the examination rooms.
4. Only one candidate will be allowed to take a restroom break at a time. Candidates are required to sign out when you leave the room and when you return. If a candidate's restroom break takes longer than 5 (five) minutes, a proctor will check on the candidate and will notify the applicable regulatory entity of the occurrence, which will take appropriate action.
5. The following items are not permitted in the examination rooms:
 - All personal electronic devices except those that are a medical necessity.
 - Cellular telephones, personal digital assistants (PDAs), recording devices, cameras, pagers, purses, notebooks, notebook computers, reference or readings material, music players, radios, electronic games, calculators, or briefcases.
 - Personal items including watches, backpacks, wallets, pens, pencils, or other writing devices, food, drinks (unless prior approval is obtained by your regulatory entity) and good-luck items.
 - Hats, baseball caps, or visors (with the exception of religious apparel), coats, shawls, hooded clothing, heavy jackets or overcoats.

During the check-in process, all candidates will be asked if they possess any of the prohibited items and all candidates will be asked to empty their pockets. If prohibited items are found during check-in, candidates shall return these items to their vehicle or other place of safekeeping. Neither PSI, nor the Department of Consumer Affairs, shall be responsible for the items. Any candidate possessing the prohibited items in the examination room shall have his or her test results invalidated, and PSI shall notify the appropriate regulatory entity of the occurrence.

6. Copying or communicating examination content is a violation of PSI security policy and existing law. Either one shall result in the disqualification or invalidation of examination results, the denial of your license, and may subject the candidate to criminal prosecution.
7. If you are asked by a proctor to step into the lobby during your examination, the proctor will suspend your examination and you will not lose any remaining test time.
8. Weapons are not permitted in the examination sites.

TAKING THE EXAMINATION BY COMPUTER

Taking the PSI examination by computer is simple. You do not need any computer experience or typing skills. You will use fewer keys than you use on a touch-tone telephone. All response keys are colored and have prominent characters. An illustration of the special keyboard is shown here.

TIPS FOR PREPARING FOR YOUR EXAMINATION

The following suggestions will help you prepare for your examination.

- Planned preparation increases your likelihood of passing.
- Start with a current copy of this Candidate Information Bulletin and use the examination content outline as the basis of your study.
- Read study materials that cover all the topics in the content outline.
- Take notes on what you study. Putting information in writing helps you commit it to memory and it is also an excellent business practice. Underline or highlight key ideas that will help with a later review.
- Discuss new terms or concepts as frequently as you can with colleagues. This will test your understanding and reinforce ideas.
- Your studies will be most effective if you study frequently, for periods of about 45 to 60 minutes. Concentration tends to wander when you study for longer periods of time.

STUDY COURSES AND PUBLICATIONS

Some persons may offer examination preparation courses or publications. We have no information to indicate that applicants who use these sources have a higher pass rate than those who do not. Training courses, other than BSIS specified courses (i.e., Powers to Arrest training), are not associated with BSIS. No publishers or training sponsors have legal access to BSIS's examination materials. We make every effort to ensure that the contents of our examinations remain confidential and that the questions are changed frequently.
