FIREARMS INSTRUCTOR/FIREARMS TRAINING FACILITY BATON INSTRUCTOR/BATON TRAINING FACILITY

This packet contains information about obtaining a Firearms Instructor, Firearms Training Facility, Baton Instructor, and Baton Training Facility licensing/certification, descriptions of required qualifications, and license application forms. It is the policy of the Bureau of Security and Investigative Services (Bureau) to provide equal licensing opportunities for all persons without regard to race, color, religion, sex, national origin, disability, age, creed, marital status or sexual orientation.

The Bureau certifies and regulates Firearms and Baton Instructors and Firearms and Baton Training Facilities in California under provisions of the:

- California Business and Professions Code 7585-7585.20
- California Code of Regulations (formerly California Administrative Code)
Title 16, Division 7, sections 600.1 – 645

No one may engage in any business regulated by this act in California without obtaining appropriate certification from this Bureau. Certification laws are subject to change. Applicants will be notified of amendments which may affect their applications or certifications.

FEE AMOUNT AND PAYMENT

The application fee for an initial Baton Training Facility certificate is \$700; the application fee for an initial Firearms Training Facility certificate is \$800. The application fee for an initial Baton Training Instructor certificate is \$350; the application fee for an initial Firearms Training Instructor certificate is \$350. **Be advised that an application received without payment of the full fee amount owed will not be processed and will be returned to the applicant.** Make check payable to Bureau of Security Services or BSIS. Do not submit cash by mail. Application fees are non-refundable.

FIREARMS FACILITY CERTIFICATION

The Firearms Training Manual is the standard for instruction at all firearms training facilities. It provides for a minimum of 16 hours (classroom and range) training. Instructors must obtain Bureau approval before offering supplemental instruction. The course of training in the carrying and usage of firearms required of applicants to obtain a firearms permit shall follow the standards prescribed by the Department of Consumer Affairs pursuant to Title 16, California Code of Regulations section 635. The manual will be forwarded upon certification of the facility.

Once the firearms training facility application is complete, it should be mailed to the Bureau with the fee indicated in the Training Facilities and Instructors Schedule of Fees. Make check payable to Bureau of Security and Investigative Services or BSIS. Do not submit cash by mail. Application fees are non-refundable. Approval may be given, and a certificate issued only if the facility employs a certified firearms instructor. Upon approval, the firearm training facility certificate will be mailed to the applicant. Once in receipt of the certificate, a written request may be submitted to the Bureau for Live Scan forms or fingerprint cards, guard registration applications and firearms permit applications. Each firearms training facility must have a written procedure for the security of the written examination, and it must be submitted to the Bureau on demand.

BATON FACILITY CERTIFICATION

The Baton Training Manual is the standard for instruction at all baton training facilities. Instructors must obtain Bureau approval before offering supplemental instruction. The Baton Manual will be forwarded upon certification of the facility.

Once the baton training facility application is complete, it should be mailed to the Bureau with the fee indicated in the Training Facilities and Instructors Schedule of Fees. Make check payable to Bureau of Security and Investigative Services or BSIS. Do not submit cash by mail. Application fees are non-refundable. Approval may be given, and a certificate issued only if the facility employs a certified baton instructor. The baton training facility certificate will be mailed to the facility upon approval. The instructor may then order a supply of baton certificates from the Bureau's mailroom by submitting a written request and payment of \$60 for each baton certificate ordered. Each baton training facility must have a written procedure for the security of the examinations and baton certificates, and it must be submitted to the Bureau on demand.

CORPORATION APPLICANTS ONLY

If applying for licensure as a corporation, include an endorsed copy of the Articles of Incorporation (Domestic Corporation) or an endorsed copy of the Statement and Designation by Foreign Professional Corporation Form (Foreign Corporation) filed with the California Secretary of State. A copy of Statement of Information, filed with the Secretary of State, must also accompany your application. **Approval of a corporate name by the Secretary of State does not mean the name will be automatically approved as a business name by the Bureau.** A separate application must be submitted for each certification being sought as they are separate certifications, i.e. an application should be submitted for a baton training facility and a separate application must be submitted for a firearms training facility.

PARTNERSHIP AND CORPORATION APPLICANTS ONLY: In order to access BreEZe, the Bureau's online licensing and enforcement system, all partnership and corporation applicants must include their Federal Employer Identification Number (FEIN).
