

Firearms Permit Renewal Application is Now Available Online!

The Bureau of Security and Investigative Services is pleased to announce that the Firearms Permit Renewal Application is now available online through BreEZe.

Applicants can find the option by logging into their BreEZe account here: www.breeze.ca.gov. Please note that online application processing times are generally faster than that of paper applications.

Applicants are required to scan and upload, as an attachment, supplemental documents as part of their online application. The supplemental documents must contain the following:

1. The four (4) Certification of Firearms Range Qualification/Review Course Training Pages provided to them by a BSIS Certified Firearms Instructor. These Certification pages can be found on Pages 3-6 of the Firearms Permit Renewal Application. The Firearms Permit Renewal Application can be accessed here:
