

# INFORMATION ABOUT LICENSING

## PRIVATE INVESTIGATOR AND PRIVATE INVESTIGATOR QUALIFIED MANAGER

---

This packet contains information about obtaining a Private Investigator license and a Private Investigator Qualified Manager certificate, descriptions of required qualifications, and license application forms. It is the policy of the Bureau of Security and Investigative Services (Bureau) to provide equal licensing opportunities for all persons without regard to race, color, religion, sex, national origin, disability, age, creed, marital status or sexual orientation.

The Bureau licenses and regulates Private Investigators and Private Investigator Qualified Managers in California under the provisions of the:

- California Business and Professions Code 7512-7573
- California Code of Regulations (formerly California Administrative Code)  
Title 16, Division 7

No person may engage in the business of a Private Investigator in California without obtaining the proper license from this Bureau. Any person who operates without a license, unless exempted, or who represents himself or herself to be licensed and is not licensed, is guilty of a misdemeanor, which is punishable by a fine and/or imprisonment. Licensing laws and regulations are subject to change. Applicants are responsible for staying informed of legislative or regulatory changes which may affect the status of their application. If any such changes affect the status of an application after it has been filed with the Bureau, the applicant will be notified.

### **GENERAL QUALIFICATIONS FOR LICENSURE**

Each person listed on the application (owner, partner, corporate officer, managing member, qualified manager) is required to meet certain general qualifications regarding fitness for licensure.

The person who will be in active charge of the business for a Private Investigator is referred to as the qualified manager or qualified certificate holder. Each company license must have one person designated as the qualified manager and that person must meet the general license qualifications as well as more specific qualifications regarding age, experience and examination. The qualified manager may be an owner, partner, corporate officer, managing member, or any other person meeting the requirements for qualified manager.

### **DENIAL OF LICENSURE**

A criminal history check is made on all applicants through the completion of a Department of Justice (DOJ) and Federal Bureau of Investigation (FBI) Live Scan. The director may deny a license if any person listed on the application as an owner, partner, corporate officer, managing member or qualified manager have done any of the following:

- Been convicted of a crime substantially related to the qualifications, functions, or duties of the business or profession for which the application is made.
- Committed any act involving dishonesty, fraud or deceit with the intent to substantially benefit himself or herself, or injure another.
- Committed any act which, if done by a licensee of the business or profession in question, would be grounds for suspension or revocation of the license.
- Knowingly made a false statement of fact required to be revealed on the license application.

- Had a license which is under suspension.
- Been refused a license or had a license revoked, or been an owner, partner, corporate officer, managing member, or qualified manager of any business that has been refused a license or had a license revoked by the Bureau.
- While unlicensed, committed, or aided and abetted the commission of, any act for which said license is required.

### **APPLICATION PROCESSING TIMEFRAME**

**The following items may affect the time required to issue a license:** incomplete application forms; incorrect or nonpayment of fees; passing the examination; the DOJ and FBI's response time on criminal history checks; and the time required to verify application information.

**Please allow a minimum of four weeks before contacting the Bureau about the status of an application.**

### **FORMS REQUIRED FOR LICENSE APPLICATION**

The following is a description of each type of form that must be included with an application. All required forms must be completed and submitted to the Bureau with the appropriate fees before the application will be processed. The attached Private Investigator Applications Forms Checklist on page 9 lists the forms required for a Private Investigator license. Please check the completed application package against this list before submitting it the Bureau.

### **APPLICATION FOR LICENSE (Form 31B-4) (fee required)**

A separate Private Investigator Company application must be filed for each entity applying for a license. For example, to have a Private Investigator sole ownership in addition to having a partnership with someone else, two separate Private Investigator Company applications must be filed.

**Note:** If applying for a Private Investigator Qualified Manager license only, there is no need to complete the Application for License (Form 31B-4).

**Business address:** A post office box or mailbox service may not be used as the address of record unless mail delivery to the physical location of the business is not possible or the principal place of business is located in the applicant/licensee's personal residence. If a post office box or mailbox service is listed as the business address, the licensee should provide an explanation for doing so with the application and provide the actual physical location/address of the business in the accompanying explanation.

### **Protection Services Insurance Requirement**

If you are not a Limited Liability Company, a Private Investigator who carries a firearm and provides armed bodyguard services incidental to an investigation for which the Private Investigator has been previously hired to perform must maintain a commercial general liability policy of insurance issued by an insurance company authorized to transact business in California that provides minimum limits of insurance of one million dollars (\$1,000,000) for any one loss or occurrence due to bodily injury, including death, or property damage, or both.

### **Corporation Applicants Only**

If applying for licensure as a corporation, include an endorsed copy of the Articles of Incorporation (Domestic Corporation) or an endorsed copy of the Statement and Designation by Foreign Professional Corporation Form (Foreign Corporation) filed with the California Secretary of State. A

copy of the Statement of Information, filed with the Secretary of State, must also accompany your application.

### **Limited Liability Company Applicants Only**

If applying for licensure as an LLC, include an endorsed copy of the Articles of Organization of a Limited Liability Company (Domestic LLC) or an endorsed copy of the Application to Register a Foreign Limited Liability Company (Foreign LLC) filed with the California Secretary of State. A copy of the Statement of Information, filed with the Secretary of State, must also accompany your application.

### **LLC License Insurance Requirements**

A Private Investigator LLC licensee must maintain a policy or policies of insurance against liability claims for acts, errors, or omissions arising out of the private investigator services it provides. For an LLC with five or fewer managing members, the aggregate liability limit shall not be less than one million dollars (\$1,000,000). For an LLC with more than five managing members, an additional one hundred thousand dollars (\$100,000) of insurance must be obtained for each person named as a managing member not to exceed five million dollars (\$5,000,000) in any one designated period.

A Private Investigator LLC license applicant and licensee must provide proof of the required insurance by submitting a Certificate of Liability Insurance, signed by an authorized agent or employee of the insurer, to the Bureau. The Private Investigator LLC licensee will be responsible for ensuring the Bureau has current insurance information on file, which means the licensee will need to submit a new Certificate of Liability Insurance when a current policy expires. Failure to maintain the required insurance or provide the Bureau with a current Certificate of Liability Insurance subjects the Private Investigator LLC license to automatic suspension.

The Certificate of Liability Insurance must include:

- The Private Investigator LLC's company name,
- The Private Investigator's PI License Number (if already licensed),
- The insurance policy number,
- Dates that coverage is scheduled to commence and lapse, and
- The date and amount of any claims paid pursuant to the policy, and cancellation date if applicable.

Since the Certificate of Liability must include your company's name, the Bureau recommends applicants wait until receiving written authorization from the Bureau of your business name before submitting the Certificate of Liability Insurance document.

### **Reassignment of License (fee required)**

To request the reassignment of an existing Private Investigator license, submit a letter addressed to the Bureau Chief. The letter should state the request for the reassignment and provide a brief explanation on why the reassignment is needed. Only requested where the direct and indirect owners of the assignor (current business organization) are identical to the direct and indirect owners of the assignee (new business organization) are potentially eligible for reassignment. If consent for the assignment is granted, then the payment of the processing fee authorized by Business and Professions Code section 7570 and California Code of Regulations section 639 must be submitted for the Bureau to carry out the reassignment. To apply for reassignment, submit:

- Letter addressed to the Bureau Chief, specifically requesting the reassignment with brief explanation of why reassignment is needed

- Private Investigator Application for License (31B-4)
- Personal Identification Form for each principal involved in the business (31B-9)
- Private Investigator Request for Authorization of Business Name (31B-12)
- If consent is granted by the Bureau Chief, payment of \$400.00 is required to process the reassignment

**PERSONAL IDENTIFICATION FORM** (Form 31B-9) (no fee required)

Each person listed on the Private Investigator Company Application for License as an owner, partner, corporate officer, managing member, and/or qualified manager of the business must complete one of these forms and submit one passport quality photograph, taken within the past year. Any person who knowingly falsifies photographs required for licensure is guilty of a felony.

**QUALIFIED MANAGER - GENERAL REQUIREMENTS**

**QUALIFYING EXPERIENCE FORM** (Form 31B-8) (no fee required)

This form must be completed for all persons applying for examination as a qualified manager for a Private Investigator Company. **All qualifying experience for the qualified manager must be certified on this form by someone other than the applicant.** A separate form is to be used by each person who is certifying experience and for each employer. All military qualifying experience must be supported by a copy of the applicant’s DD-214 or Performance Evaluation Report. Additional support of experience may be required as requested by the Bureau. One year of experience is considered to be a minimum of 2,000 hours of compensated time in the required field. Applicants wishing to use education in lieu of practical experience must submit a copy of their college transcripts.

Only employers or their designated agent may certify the investigative experience obtained by the applicant. An employer who is a licensee shall respond in writing within 30 days to an applicant’s written request for certification of work experience as an employee and either provide the certification or the reason for denial. If the licensee fails to respond to the applicant, the applicant must notify the Bureau in writing, under penalty of perjury, that the applicant is unable to obtain the required written response. After this procedure has been followed, the Bureau may require the licensee to submit all relevant employment records maintained regarding the applicant for evaluation in substantiating the applicant’s employment experience.

The person who is designated as the qualified manager must meet these general requirements in addition to the experience requirement listed below:

General Requirements

- Be at least 18 years of age.
- Attain a passing score on the written examination.
- Have at least three years (2,000 hours each year) of compensated experience totaling no fewer than 6,000 hours in investigative work, in one or more of the following capacities:

Experience Requirements

1. Sworn law enforcement officers possessing powers to arrest and employed by agencies in the federal, state, or local government.

2. Military police of the United States armed forces or the National Guard.
3. An insurance adjuster or their employees subject to Chapter 1 (commencing with Section 14000) of Division 5 of the Insurance Code.
4. Persons employed by a private investigator who are duly licensed in accordance with the Private Investigators Act.
5. Persons employed by reposseors duly licensed in accordance with the Collateral Recovery Act (commencing with Section 7500 of the Business and Professions Code), only to the extent that those persons are routinely and regularly engaged in the location of debtors or the location of personal property utilizing methods commonly known as "skip tracing." Only that experience acquired while performing skip tracing duties shall be credited toward qualification to take the examination.
6. Persons duly trained and certified as arson investigators and employed by a public agency engaged in fire suppression.
7. Persons trained as investigators and employed by a public defender to conduct investigations.
8. Persons trained as investigative reporters and employed by a media source, as defined in Section 1070 of the Evidence Code, whose investigative journalism experience is comprised of conducting primary investigation and producing investigative projects. "Primary investigation" means original and in-depth research and analysis involving multiple sources, including, but not limited to, public records, databases, archives, published and unpublished documents, witnesses, informers, whistleblowers, public officials, and experts, to produce investigative projects.

**The following activities will not be accepted as qualifying experience:**

1. The serving of legal process or other documents.
2. Activities relating to the search for heirs or similar searches which involve only a search of public records or other reference sources in the public domain.
3. The transportation or custodial attendance of persons in the physical custody of a law enforcement agency.
4. The provision of bailiff or other security services to a court of law.
5. The collection or attempted collection of debts by telephone or written solicitation after the debtor has been located.
6. The repossession or attempted repossession of personal property after that property has been located and identified.

**Note:** If an applicant has previously passed the examination for a Private Investigator Qualified Manager and/or currently holds a valid license, the applicant does not have to retake the exam.

**Examination:** Examinations are designed to determine proficiency of the applicant to engage in the business of a Qualified Manager for a Private Investigator Company. In order to be considered for examination, the Bureau must receive the completed application and appropriate fee(s).

After an application is approved, an applicant's name and address will be sent to Psychological Services Industry (PSI). PSI will mail the applicant a candidate handbook and study materials. Upon receipt of this information the applicant may call the phone number provided in the handbook and schedule the date, time and location for an examination.

**Disclaimer:** Successfully passing the Private Investigator Company examination does not guarantee an applicant will be issued a Private Investigator Company license from this Bureau.

Examinees requiring special testing arrangements due to a physical or mental impairment must submit a request to the Bureau for such arrangements. This request must be in writing and include supporting documentation from a physician or other qualified professional.

**Re-Examination:** If an applicant did not pass the Private Investigator exam, or is unable to attend the scheduled exam date, the applicant may apply to sit for the exam at a later date by submitting a written request or an application for re-examination (form is attached to the results notice) and the appropriate fee. The applicant will receive the candidate handbook and study materials from PSI. Once this information is received the applicant may schedule an appointment with PSI to take the exam.

**REQUEST FOR AUTHORIZATION OF BUSINESS NAME (Form 31B-12) (no fee required)**

Business may not be conducted under a fictitious or other business name unless written authorization is received from this Bureau.

The Bureau recommends that an applicant wait until the issuance of a Private Investigator Company license before incurring expenses related to the use of the name, e.g., stationery, business cards, advertising, telephone listings, etc. for the Private Investigator Company. **Approval of a corporate name by the Secretary of State does not mean the name will be automatically approved as a business name by the Bureau.**

The Request for Authorization of Business Name form will not be processed before receipt of an application and fees. List business names to be considered in order of preference. Name approval or disapproval is not available by telephone. Applicants who have already passed the required examination will be notified of name approval or disapproval after review and acceptance of the application. New applicants will be advised of name approval or disapproval with notification of passing the written examination.

**Note:** If applying for a Private Investigator Qualified Manager license only, there is no need to complete the Request for Authorization of Business Name (Form 31B-12).

**LIVE SCAN SITES AND FORMS**

Live Scan is a system for the electronic submission of fingerprints and the subsequent automated background checks and responses. Simply go to the nearest Live Scan station to submit fingerprints to the DOJ and FBI. Visit the Bureau's website to link to the Live Scan sites and/or Live Scan forms: [https://www.bsis.ca.gov/forms\\_pubs/livescan/criminalhistory\\_bgcheck.pdf](https://www.bsis.ca.gov/forms_pubs/livescan/criminalhistory_bgcheck.pdf).

**Disclaimer:** Please request the Live Scan operator to include your social security number (SSN) or individual taxpayer identification number (ITIN) when keying your information in order to aid the Bureau in processing your application.

## **FINGERPRINT CARDS**

**CALIFORNIA RESIDENTS:** The Department of Justice, with rare exceptions, will only accept electronically submitted (Live Scan) fingerprints for criminal background checks related to employment, licensing, certification, etc. California residents who do not have reasonable access to Live Scan or have a justifiable reason to submit a fingerprint card may request fingerprint cards from the Bureau for submission.

**NON-RESIDENTS:** Out-of-state applicants will be deemed to lack reasonable access to Live Scan. Accordingly, hard fingerprint cards for such individuals will not be subject to the limitations described above.

The items listed below are required for fingerprint card submissions for each person applying for approval as a Private Investigator Qualified Manager and each person listed on the application for licensure as an owner, partner, or corporate officer.

- Two completed fingerprint cards
- Include payment of \$49.00

## **ABANDONMENT OF APPLICATIONS**

If an applicant does not complete the license application process within one year after filing the application with the Bureau, or does not pass the examination within a one-year period of becoming eligible, the application will be considered abandoned. The date the application will be considered abandoned is included in the applicant's examination scheduling letter. Once an application is considered abandoned, the applicant will be required to submit a new Live Scan form, a new application, and appropriate fees.

## **FINAL STEPS IN THE LICENSING PROCESS**
